Step 1: Look for Myu (gef_fild05 79 149) and speak with her

Step 2: Ask about the situation, offer to help and tell her it'll be easy. She'll then give you a quest to kill 1,000 Kobold Archers, and a warning not to kill any Wild Rose.

Step 3: Kill 1,000 Kobold Archers, **without killing a single Wild Rose.**

Step 4: Return to Myu to get the headgear.

NOTE:

- This quest is repeatable.
- Kobold Archer kills by party members are counted, provided they are in the same map.
- If you accidentally kill a Wild Rose, speak with My to cancel the quest. Talk to her again to retake the quest starting from scratch.

And to make things easy, you can now use the **Alt+U** command to see the quest information window. This will help you track down the status of your quest such as monsters to be killed, remaining amount of the said monsters to be killed, and etc.

BRIDE'S COROLLA QUEST

Not all Orc's are that scary! In fact, this Orc Lady here will is willing to give you a pretty headgear called Bride's Corolla. That is if you are help her on her simple request. ❤️
